DESCRIPTION

The land at Tiptoe represents a rare and terrific opportunity to acquire a superb block of quality pastureland together with a barn and remains of a former residence offering development potential subject to the necessary planning consents. The land, amounting to approximately 11.61 acres of sloping permanent pasture, signifies a productive commercial block of ground that would be a valuable addition to any farming unit. The land is split into conveniently sized enclosures for ease of management and lends itself to a wide range of uses. The boundaries appear both well fenced and defined. The land is accessed via a stone track or green lane leading off a minor county road.

SITUATION

The Land at Tiptoe is situated in a picturesque rural location at the heart of the Golden Valley. The area is renowned for its outstanding beauty and being found far from the maddening crowd.

The nearest village is Peterchurch with a local village store, public house, state education among other services. More comprehensive facilities and amenities can be found in the nearby and popular market town of Hay-on-Wye and the cathedral city of Hereford.
