Title: Poor rates Longtown: 1854-55 and 1859-60

Place name: Longtown

Date: 1854-55 and 1859-60

Description:

Poor rates books record payments from property owners and occupiers towards support for the local poor. Collection and administration of 'poor relief' was a statutory duty of the parish church: the amount due was variable, typically six pence in the pound, but ranging from four pence to nine pence in the pound, collected twice yearly.

The ledgers are particularly useful for identifying property names in an approximate locational sequence: many retain the same names and can be identified on modern maps.

The photographs below are extracts from two ledgers for twice yearly payments entered on the left hand page, which show the Name of Occupier; Name of Owner; Description of Property; and Name or Situation of Property. The right hand page showing the amount payable for each property has been omitted.

The dates for each of the listings photographed are:

G71/32

10 November 1854 15 January 1855

G71/38

18 November 1859 6 February 1860

The full surviving record of Longtown poor rates is in two bundles:

G71/30-35 (six ledgers for years 1853-1858) and G71/36-41 (six ledgers for years 1857-1862)
