## Description

### Property Description

This two bedroom period cottage is in a private rural setting sat within just over an acre plot with woodland, offering uninterrupted countryside views. It also boasts a detached stone built barn, partially converted, which has an expired planning permission so is apt for further conversion.

### Property Details

Why I love It - Amazing expansive views of the valley and Snodhill castle and a sense of complete privacy with no immediate neighbors are the best things about Old lodge. I love the old orchard which has some delicious apple varieties too!

#### Video Viewings:

If proceeding without a physical viewing please note that you must make all necessary additional investigations to satisfy yourself that all requirements you have of the property will be met. Video content and other marketing materials shown are believed to fairly represent the property at the time they were created.

#### Why the owner loves the property:

Why I love It - Amazing expansive views of the valley and Snodhill castle and a sense of complete privacy with no immediate neighbours are the best things about Old lodge. I love the old orchard which has some delicious apple varieties too!
